

## Civil PE Exam Review Course

**Begins Monday, February 3<sup>rd</sup>**

If you know someone who is taking the PE exam on April 17, 2020, please pass this information along. If you would like to sit in on some of the sessions as a refresher for PDHs, you may register for a single session (or more) also.

The PE Civil exam review course will be held at the Lipscomb University Fields Engineering Center and will be available via a videoconferencing link.

As we have in the past, the course will be taught by Professional Engineers and based on the ***Civil Engineering Reference Manual*** (Lindeburg 15<sup>th</sup> edition). It will focus on the “breadth” (morning) portion of the exam and will include the general topics covered during the morning part of the exam. Seismic and land surveying will **not** be covered, as they are not covered on the morning exam. Sessions include Water Resources, Geotechnical, Structural, Construction and Transportation.

The cost will be \$350 per person for members and \$550 for non-members and will include TSPE membership free for 6 months.

**PE Civil Exam Review Course – Spring 2020 Registration Form**

**Location:** Lipscomb University's Fields Engineering Center Room 114  
**Schedule:** Monday evenings from 6-8:30 pm, February 3 – April 6, 2020

**Recommended Materials:** PE Civil Reference manual, Lindeburg 15<sup>th</sup> ed.  
Practice Problems for the Civil PE Exam, Lindeburg 15<sup>th</sup> ed  
Civil PE Sample Exam, Lindeburg 6<sup>th</sup> ed.
